Property Description

Huge price drop on this bank owned subdivision, River Run at Mt. Mitchell. Ideally located at the base of Mt. Mitchell and directly across from the Mt. Mitchell Golf Course. A total of 140 acres, the property consists of 10 single family residential lots, a commercial building that's never been used, and then the remaining 129 acres that includes 5 acres on the highly desirable South Toe River perfect for trout fishing and recreation.
